eBook

Filled with current examples, THE ESSENCE OF ANTHROPOLOGY brings to life anthropology's key concepts and their great relevance to today's complex world. You'll learn about the varied ways culture helps humans adapt to face the challenges of

existence; the connection between human culture and human biology; and the impact of globalization on peoples and cultures around the world. New Digging into Anthropology activities provide hands-on opportunities for you to "do" anthropology, while the addition of Visual Counterpoints will teach you to think more critically about the world you see. Furthermore, the text is packed with learning tools that demonstrate major concepts, offer interesting examples of anthropology's relevance to daily life, and guide your study to help you retain what you read.

LINGUISTIC ANTHROPOLOGY

THE ANTHROPOLOGY OF LANGUAGE, 4E

An Introduction to Linguistic Anthropology

Harriet Joseph Ottenheimer, Kansas State University; Judith M.S. Pine, Western Washington University

© 2019, Paperback, 9781337571005

eBook

THE ANTHROPOLOGY OF LANGUAGE: AN INTRODUCTION TO LINGUISTIC ANTHROPOLOGY is an introduction to the field's methodology, skills, techniques, tools and applications that emphasizes questions that

anthropologists ask about language and that intrigue students. This authoritative yet approachable fourth edition combines the key areas of linguistic anthropology, addressing issues of power, race, gender and class throughout. Further stressing the everyday relevance of the content, authors Ottenheimer and Pine include "In the Field" vignettes that draw students into the chapter material via stories culled from their own and others' experiences. And "Doing Linguistic Anthropology" and "Cross-Language Miscommunication" features describe real-life applications of core concepts. A revised companion workbook/reader and robust companion website make a complete, integrated package for your course.

MAJOR PROBLEMS IN AMERICAN HISTORY, VOLUME I, 5E

Elizabeth Cobbs, San Diego State University; Edward J. Blum, San Diego State University; Vanessa Walker, Amherst College

© 2026, Paperback, 9798214145648

Designed to encourage critical thinking about history, Cobbs/Blum/Walker's "Major Problems in American History, Volume I 5th Edition", introduces students to primary sources and analytical essays on important topics in U.S.

history. The text serves as the primary anthology for the introductory survey course, covering the subject's entire chronological span. Comprehensive topical coverage includes politics, economics, labor, gender, culture and social trends. This edition reflects two new historiographical trends: the emergence of the history of religion as an exceptionally lively field and the internationalization of American history. Chapters include images, songs and poems, giving students a better feel for the time period and events under discussion. Key elements of the text have been retained, including chapters per volume, chapter introductions, headnotes and suggested readings.

With its combination of strong scholarship and detailed pedagogy, the updated Bulliet/Crossley/Headrick/Hirsch/Johnson/Northrup's THE EARTH AND ITS PEOPLES: A GLOBAL HISTORY, 8th EDITION, presents world history in a balanced, global

framework, shifting the focus away from political centers of power and toward the living conditions and activities of ordinary people. This edition continues a feature titled "Daily Life" that is designed to resonate with the everyday experiences of today's students. This global text for the world history survey course employs fundamental themes of "environment and technology" and "diversity and dominance" to explore patterns of humans' interactions with their surroundings and each other. The authors' approach reveals how humanity shapes and is shaped by the environment, and how dominant structures and traditions are balanced and challenged by alternate beliefs. Technological development and how it underlies all human activity receives special emphasis.

Susan M. Hillier, Sonoma State University; Georgia M. Barrow, Santa Rosa Junior College

© 2015, 496pp, Paperback, 9781285746616

eBook

No field of study more completely integrates the mature person over the life course than does gerontology. Understanding senior citizens—who represent a continually growing population—is becoming increasingly important. AGING, THE

INDIVIDUAL, AND SOCIETY introduces you to gerontology in a compassionate way that helps you understand older people and how to work with them. The book balances academic research and practical discussions, integrating social and cultural perspectives with the story of the individual aging process. Activities enhance your understanding and skills by providing many opportunities for experiential learning.
