CRISIS INTERVENTION STRATEGIES, 9E

*Richard K. James, University of Memphis;
Burl E. Gilliland, Late of University of Memphis;
Rick Myer, Retired, University of Texas El Paso*

© 2025, 360pp, Paperback, 9789815243246

MindTap eBook

James/Whisenand/Myer's **CRISIS INTERVENTION STRATEGIES, 9th Edition,** is like combat. Chaos, disruptions, hostile environments and hostile clients calls for courage, creativity and tenacity in the face of threatening circumstances. Students

are talked to like colleagues with 130 years of combined experience from combat veterans in crisis intervention. Triage assessment and LASER protocol clearly illustrate and explain the process of ethically assessing and intervening with people in crisis. Specific strategies for handling different crisis situations, using dialogue that a practitioner might use when working with an individual in crisis, are included. With MindTap, videos demonstrate crisis intervention techniques and ensure that you understand the theoretical underpinnings of crisis intervention theories and apply them in crisis situations.

A GUIDE TO CRISIS INTERVENTION, 6E

Kristi Kanel, *California State University, Fullerton*

© 2019, 352pp, Paperback, 9781337566414

MindTap eBook

Handle any crisis situation with the help of this practical, nuts-and-bolts guide. *A Guide to Crisis Intervention*, 6th Edition covers the fundamentals of situational and developmental crises, how they occur and how you can manage them.

Author Kristi Kanel discusses traditional counseling models as they relate to crisis intervention, and shows how they're incorporated into her ABC Model of Crisis Intervention--which you can use in any mental health setting with anyone in crisis. Examples illuminate the psychological and behavioral dynamics associated with crisis situations. Cases and scripts help you learn exactly what to say to clients, whether the crisis is developmental; related to trauma, post-traumatic stress disorder (PTSD), substance abuse or other factors; or arises from personal victimization. You'll also learn how to conduct suicide assessments and mental status exams.

ETHICS & LEGAL ISSUES

NEW EDITION

ETHICS IN COUNSELING & PSYCHOTHERAPY, 7E

Elizabeth Reynolds Welfel, *Cleveland State University*;
Mark M. Leach, *University of Louisville*

© 2026, 625pp, Paperback, 9780357936184

eBook

Welfel/Leach's *Ethics in Counseling and Psychotherapy*, 7th Edition, prepares readers to deal with issues they will confront in practice. The 10-step model for ethical decision-making guides students and practitioners through complicated ethics cases.

Updates include technology (online practice, marketing and tele-supervision); counseling clients from diverse cultural backgrounds (LGBTQ+, those with different abilities, older adults and clients at risk of harming others and themselves); information on law, ethics and professional guidelines; new research in ethical decision-making; work in multiple relationships, informed consent and confidentiality; new areas within assessment; marketing and supervision literature. The text examines emerging ethical issues, enabling students to advance beyond basic awareness and knowledge of the professional codes of ethics.

ISSUES AND ETHICS IN THE HELPING PROFESSIONS, 11E

professional codes of ethics and divergent theoretical positions. This bestseller is the ideal resource for students in any helping field -- a book readers return to well into their professional careers. The authors point out central issues, present a range of diverse views on the issues, discuss their position and provide opportunities for you to develop your own informed position. Offering a wide range of perspectives, about 40 respected leaders in the counseling profession also share their positions through the new *Voices From the Field* feature. Also available, the MindTap digital learning solution delivers interactive learning, study and exam prep tools.

FIELD/PRACTICUM/INTERNSHIP

THE SUCCESSFUL INTERNSHIP, 5E

H. Frederick Sweitzer, University of Hartford; Mary A. King, Fitchburg State University

© 2019, 480pp, Paperback, 9781305966826

MindTap eBook

THE SUCCESSFUL INTERNSHIP: PERSONAL, PROFESSIONAL, AND CIVIC DEVELOPMENT, 5th Edition, is more than a resource for finding and interviewing for internships--it covers the entire internship experience, how you fit into it and how you

can get the most out of it. It addresses the concerns, emotions, needs and unique personal challenges that you'll experience and focuses on the internship as a vehicle for your development as a civic professional. The authors detail the path that you'll embark on and the challenges you'll face along the way. A four-stage model of the internship process--anticipation, exploration, competence and culmination--places the material in a framework that helps you understand the work you'll be doing.

GROUP COUNSELING

MindTap eBook

Learn to blend theory with practice in group work with Corey/Corey/Corey's COUNSELING FOR GROUPS: PROCESS AND PRACTICE, 11th Edition. Focusing on the "what is" and the "how to" of group counseling, the authors use up-to-date examples,

guidelines, insights and an enhanced diversity perspective to show you how group leaders can apply key concepts of the group process to a variety of groups. You'll receive practical guidance on working with groups of children, adolescents and adults in both school settings and community settings. Many new activities encourage active learning, enabling you to see clinical applications come to life in the content that is covered. The MindTap online learning experience includes videos of group counseling sessions that further help to prepare you for professional practice.

THEORY AND PRACTICE OF GROUP COUNSELING, 10E

Gerald Corey, Professor emeritus of Human Services and Counseling at California State University at Fullerton

© 2023, 560pp, Paperback, 9780357622957

MindTap

Gain an in-depth overview of the ten group counseling theories with Corey's best-selling THEORY AND PRACTICE OF GROUP COUNSELING, 10E. Using a clear, straightforward writing style, this edition illustrates how to put these theories into practice and

even guides you in developing your own framework for effective group counseling with a syntheses of various aspects of the theories. New learning objectives and a consistent chapter structure help you easily grasp each theoretical concept and its relationship to group practice. This edition highlights the latest developments and most recent literature from the field with new and expanded information on accreditations, ethics and cultural sensitivity. A new video series, Group Theories in Action, provides video segments that correspond to Chapters 6-15 and bring each theory to life.

GROUP TECHNIQUES, 4E

Gerald Corey, Professor emeritus of Human Services and Counseling at California State University at Fullerton; Marianne Schneider Corey; Patrick Callanan, California State University, Fullerton; J. Michael Russell, California State University, Fullerton

© 2015, 240pp, Paperback, 9780534612696

eBook

More than a recipe book of techniques that group leaders can pull out at the right time, this book encourages readers to use techniques sensitively and creatively in their own groups, and to go one step further to invent their own techniques. The authors

draw on their combined experiences as teachers, as consultants to mental-health professionals, and as private practitioners to provide a realistic approach to group work. Emphasizing that techniques are means, not ends, the book is designed to enhance the group leader's ability to generate a therapeutic and human rapport between leader and members.

Ivey/Ivey/Zalaquett's **ESSENTIALS OF INTENTIONAL COUNSELING AND PSYCHOTHERAPY IN A MULTICULTURAL WORLD**, 4th EDITION, is your guide to counseling and psychotherapy in a stressed world. This reader-

friendly text focuses on what you need to know to begin your journey to become an effective counselor or psychotherapist in a diverse world in dire need of well-prepared professionals. This edition retains the authors' microskills model, which revolutionized modern understanding of the counseling and therapy process by teaching vital interviewing skills step-by-step. This process breaks down counseling into manageable micro units and builds a bridge between theoretical understanding, learning the skills, and the practice of counseling. This edition includes a chapter on crisis counseling and effective information on relevant issues such as the pandemic, social inequities and eco-anxiety. The book includes video content, session transcripts and brief summaries of key theories.

AE INTENTIONAL INTERVIEWING AND COUNSELING, 10E

Develop original, clear interviewing skills with the hallmark microskills approach within **INTENTIONAL INTERVIEWING AND COUNSELING: FACILITATING CLIENT DEVELOPMENT IN A MULTICULTURAL**

SOCIETY, 10E. This text provides the insights and tools you need to address individual and multicultural uniqueness. You learn to conduct interviews using six different theoretical approaches as you begin to develop a personalized style of interviewing and counseling that matches your aptitudes and affinities. This is the only text of its kind that demonstrates how to understand and use the latest neuroscience developments in counseling practice. Updates detail how counseling and psychotherapy change the brain and build new neural networks in both client and counselor. New content also emphasizes telehealth and trauma counseling and the effects of stress and the pandemic. Timely case studies, sample interviews and a “Portfolio of Competencies” help you master key skills and become a better listener.

BASIC PERSONAL COUNSELLING, 9E

David Geldard; Kathryn Geldard; Rebecca Yin Foo

© 2022, 432pp, Paperback, 9780170451871

eBook

Basic Personal Counselling (BPC) is an easy-to-read introduction to counselling skills for both professional and volunteer counsellors, and workers in the helping professions. This ninth edition of Basic Personal Counselling includes new content on self-care and the

use of technology in counselling, as well as examples of counselling skills in practice. It encourages you to find ways of testing out your assumptions and discover if there is more that you could do or learn to improve and develop in your chosen career. Journaling, video recording with playback and reflecting team supervision are explained as opportunities to process and monitor your practice, along with easy-to-use templates to record your progress.

Interviewing is one of the most important skills that you'll use in your career. This proven text gives you the tools you need to conduct successful interviews with diverse clients in a variety of professional settings, including social work,

counseling, nursing, personnel work, and human services. With an emphasis on the three major stages of interviewing: exploration, clarification, and action, ESSENTIAL INTERVIEWING offers the same programmed-learning model of interviewing that has successfully trained countless members of the helping professions for nearly 30 years. The text makes interview skills clear and specific -- and exposes you to a variety of client situations and cultures. Each chapter highlights an ethical situation you may confront in your future career, further grounding you in current standards of professional practice.

INTERPERSONAL PROCESS IN THERAPY, 7E

An Integrative Model

Edward Teyber, *California State University, San Bernardino (Emeritus)*; Faith Holmes McClure, *California State University, San Bernardino (Emeritus)*

© 2017, 512pp, Hardback, 9781305271531

MindTap eBook

Therapy that effects change must authentically involve you, the therapist. Engaging, readable, and immediately helpful with clients, **INTERPERSONAL PROCESS IN THERAPY: AN INTEGRATIVE MODEL** brings together various theories into a cohesive

framework that centers on the therapeutic relationship. It shows you practical ways to intervene with your clients, while addressing and alleviating the concerns new therapists often have -- such as worrying about making "mistakes." It also provides clear guidelines for effective (and ineffective) ways to establish a working alliance, address resistance and resolve ruptures in the therapeutic relationship, help clients transition from surface conversation to their key concerns, respond to clients' painful feelings, develop a focus for treatment, and more. Featuring new case examples and updated research, the seventh edition's extensive clinical vignettes and sample therapist-client dialogues will bring you "in the room" with the therapist.

This edition also emphasizes self-care -- with 30 strategies that you can use to improve your, and your clients', well-being.

GROUPS IN ACTION, 2E

Evolution and Challenges

Gerald Corey, Professor emeritus of Human Services and Counseling at California State University at Fullerton; Marianne Schneider Corey, Licensed Therapist, Private Practice; Robert Haynes

© 2014, 128pp, Paperback, 9781285095059

eBook

STUDENT DESCRIPTION: On GROUPS IN ACTION's exciting videos, you will see Marianne and Gerald Corey in action as they demonstrate their integrative approach to group work. You'll watch a real group move through its various stages and will

observe group members discuss real issues and present reactions in the group context. These compelling videos were filmed at a three-day intensive group and show the unfolding of a live group as the group members build "a circle of trust." The videos highlight the development of the group process by showing segments of the group work that occurred over the three-day session. Throughout the video, the Coreys demonstrate a wide variety of techniques and skills, including how to deal with members' hesitation and resistance, their feelings of not being "good" enough, their fears of being judged, their difficulties with intimate relationships, and their unresolved issues with parents. A new addition to these videos is a series of lecturettes featuring Dr. Gerald Corey. The accompanying exercises and explorations are directly linked to the videos and the book, GROUPS: PROCESS AND PRACTICE, thus enabling you to build your skills and apply them to various situations.

SOCIAL WELFARE POLICY AND HISTORY

EMPOWERMENT SERIES: SOCIAL WELFARE POLICY AND SOCIAL PROGRAMS, ENHANCED, 4E

Elizabeth A. Segal, Arizona State University

© 2020, 448pp, Paperback, 9781305101920

MindTap eBook

Segal's EMPOWERMENT SERIES: SOCIAL WELFARE POLICY AND SOCIAL PROGRAMS, ENHANCED, 4th Edition, does more than enable you to identify, describe, and analyze social welfare policies--it also draws you into an examination of the

values and beliefs that drive our social welfare system. The author demonstrates how the myriad values of diverse groups in America have influenced current policies, and shows that analysis takes place through the lens of these often opposing values. Strategies for how these policy insights can be applied to influence the policy-making process are also presented. The dual themes of critical thinking and critical evaluation provide the framework of the book, and Segal's inclusion of international perspectives on values around social welfare policies and social programs heightens your awareness of the global implications of social work around the world.
